

QUICK REFERENCE GUIDE – LEXCONNECT SOL

LexConnect is a subscription service that will allow you to see what Australian Standards® are referenced in which Australian legislation.

Signing In

LexConnect is available to purchase for existing Standards On-Line clients as an add-on. To access **LexConnect**, go to <http://www.saiglobal.com/online/>, enter your user ID, Password and Username and click Submit. This will log you into Standards On-Line, which will also automatically log you into **LexConnect**. There is no extra software needed and no additional logins required.

Search Results

The **Search Results** in Standards On-Line will provide an indication of whether an Australian Standard® is referenced in Australian legislation. In the column titled 'Australian Legislation', a **LexConnect** icon will be visible if the Standard is referenced.

Selecting the **LexConnect** icon or selecting the Standard title will take you to that Standard's Product Information Page, where you can view the references to legislation in more detail.

Searching in Standards On-Line will provide anywhere, anytime understanding of when an Australian Standard® is referenced in Australian Commonwealth, State or Territory legislation.

Product Information Page

The Product Information Page for an Australian Standard contains a heading titled **LexConnect**, which will only appear if that Australian Standard® is referenced in Australian legislation. Under the **LexConnect** heading you will see all legislation that references this Standard.

To view the legislation listed, click on the legislation link. You will be taken to SAI Global's *Lawlex Legislative Alerts and Premium Research* site, where you can access and view the legislation on its Core Document Home Page at no additional cost.

If you select any of the Standards listed in **LexConnect** under the relevant legislation, you will be taken to the Product Information Page for that particular Standard. If it is part of your subscription, you will be able to open the Standard and view it. If it's not part of your subscription, you will need to unlock and add it for a fee.
